April 13, 2023

Dear Valued Customer,

Effective Sunday, April 30, 2023, both Fuhrer Wholesale Company and Fuhrer Eagle Sales and Service will make the following change to the cut off time for next day delivery orders.

- **All Orders must be placed by 12:00 pm, noon the day before your scheduled delivery.** This change includes all orders placed via the FBF Retailer Portal, telephone, fax, or email.

The last few years have been a challenging time for our Company with the continuing national shortage of commercial drivers, and a shortage of our labor force in general.

This change will help reduce any negative impacts of these challenges, and allow us the opportunity to better prepare routing, truck loading and invoicing in a more efficient manner so we can continue to provide the high level of service you expect and deserve.

If you have any questions please contact me at ext. 9005 or Shawn Diven at ext. 9019.

If you are interested in submitting your order via the Retailer Portal, please contact Maureen Kennedy at ext. 9006 [mkennedy@fuhrerwholesale.com](mailto:mkennedy@fuhrerwholesale.com) or your Sales Rep or Field Sales Supervisor.

Sincerely,

Mike Morgan  
Director, Operations
